"We are what we make ourselves"

DEDICATION

We the Senior Class of '53 with gratitude and respect do dedicate our WARRENTONIAN to Mrs. Ersie B. Stewart and Mrs. Elba M. Banzet, both of whom have helped us with our difficulties and praised us for our success for the last two years. We cannot fully express our gratitude for their love and guidance, but we shall always remember them as two who helped us start the right way down the road of life.

Senior Class History

Only a few years ago we, the dignified seniors (?), were merely green freshmen. Miss Allen and Mrs. Martindale, our homeroom teachers, helped us change our boisterous ways into those of more refined students. Some of our boys and girls went through a horrible initiation to become members of the F. H. A. and F. F. A. clubs. A few of our boys and girls participated in sports and we were proud to have a freshman girl as a cheerleader and one on the "Seer" staff.

Sophomores!! The second year found us advanced to the rank of sophomores. Mrs. Stewart and Miss Boyd were our homeroom teachers that year. Most of the boys and girls participated in sports. That year seven of the girls were tapped for the Beta Club. Miss Boyd, our beloved teacher, resigned and we presented to her a silver bon bon dish.

In the eleventh grade our new homeroom teacher was Mrs. Frank Banzet. The high lights of our junior year included the Junior-Senior Banquet with a Dutch motif, and the thrill of having seven of our girls serve as commencement marshals. Two girls in the junior class became members of the Beta Club.

When we began our final year, we found that, instead of sitting back and enjoying our role of seniors, there was much work to be done before graduation. Our first thrill was the arrival of our class rings. One of the big jobs was preparing for the publication of the annual. Next came the task of choosing invitations and the presentation of the play, "Don't Darken My Door," under the direction of Miss Minnie Warren.

And now, with farewell tears in our eyes and precious memories in our hearts, we leave dear old J. G. H. S. where we have built many pleasant memories for the future.

Historian

In fond memory of PETE PATTERSON
and OLIVE FAULKNER

IN THE END

All that could never be said,
All that could never be done;
Wait for us at last
Somewhere back of the sun.

We will not change now
After so many years;
Life has not broken our ties
With parting or tears.

Death did not alter it
The spirit still lives on
In all our thoughts of you
Since you have gone.

Senior Class Prophecy

Ten long years after graduating from good old John Graham, the senior class of 53 has finally borrowed, stolen, and (last of all) earned enough money to take that long awaited Washington trip. The bus has been chartered and all plans made. The big day has finally arrived. Just before getting into the bus, our class president, Shirley Gupton, gives a speech of gratitude for the help and co-operation of the school in making this trip possible. For if the school had let us make the trip when we were seniors, we would never have had this opportunity. After the speech of gratitude, Charles Davis, who is now a Methodist Bishop, offers a short prayer in hopes that at least half of the participants of this trip will get back alive. It is most interesting to find out what each senior of 53 is doing, or has been doing for the last ten years.

Artist, Connie May has been made famous by her excellent individual pictures of the seniors of 53, which are now hanging in the rogues' gallery.

Bill Ed Hawkins is now teaching Latin and is chief assistant to John B. Palmer.

Nancy Gamble is married and living in New York.

Kenneth Aycock is a famous pianist scheduled to play in Carnegie Hall in two weeks.

Rachel Powell is a famous lecturer, touring the country trying to inform all of the ignorant people about Inez.

Fred King is making brand new Buicks out of old T model Fords.

Richard Kidd is managing Leggetts Department Store.

Shirley Gupton is happily married and having lots of little "Kids."

Shirley Joyner is an airline mistress.

Jean Arrington and Mildred Garrett are running the biggest cigarette factory in Henderson.

Ehel Hilliard is a famous New Yourk model.

Billy Robertson, after his great role as Alec in "Don't Darken My Door," is in Hollywood playing the famous role of Pa Kettle.

Sam Pitchford is manager of City Electric.

Clara Scott is nurshing at Duke Hospital.

Norma Pittard is married and is teaching Bible in her spare time.

Mary Donna Overby is an old maid, but still trying.

Jack Harris has a motorcycle shop in Macon.

Katherine Odom is married and living in Macon.

Lorraine Maynard now owns most of the Warren Furniture Exchange.

Gid Tharrington is test driving Dodge trucks.

Herbert King is a North Carolina Highway Patrolman and is letting the state "push water."

Edward Thompson is managing Caledonia Prison Farm and raises snakes as a hobby.

Jean Fleming is married and settled in Warrenton.

Laura Williams is married and living in California.

Franklin Rivers owns a big tobacco warehouse in Warrenton.

Roy Neal is taking Hege's place teaching agriculture at Norlina.

Bobby Allen has a big dairy farm in Warren Plains.

Jack Whitby is manager of the New York Giants.

Betty Egerton is head nurse at Warren General.

Martha King is keeping books for Peck Manufacturing Company.

Shirley Bledsoe is teaching school in Florida.
Lottie Stallings is married and living in Richmond.
Shirley Tharrington is an officer in Citizens Bank.
Lessie Aycock is now teaching home economics at John Graham.
Shirley Miller is a famous radio and TV star.

As for me, well, if I get back from Washington alive, I'll go back to running Boyce Drug Co. out of business.

Class Prophet

Class Poem

We have come to the end of a long, long trail,
And our lives stretch out before us;
We have studied hard, and we did not fail
For we had good friends to guide us.

On this stage tonight we face you here,
Happy and sorrowful, too;
For we know that our last class night is near,
And a life that is strange and new.

We give to our parents our hearts of love
For all that they gave to us;
We'll remember they taught us of God above,
And to think, and be fair, and just.

We owe to our teachers for all our success,
In book knowledge; co-operation;
So here we acknowledge and duly express
Our heartfelt appreciation.

Our tasks through the years have not been small,
Our troubles have not been few;
But we have done our best in one and all
John Graham, because of you!

Classmates! Farewell! The past has been fun!
The future shines bright and clear!
So bravely facing new lives just begun
We shall reach our goals without fear!

HELPING TO BUILD

Among the many benefits derived from participation in the "Finer Carolina" contest, is pride in civic achievement. To a great degree, it has been responsible for the completion of many worthwhile contest projects. The success of future contests can be assured if this feeling of community co-operation can be passed on to the younger generation - tomorrow's leaders!

seen. Have enjoyed this year.

If you ever decide that you want to
go straight, I'll try to get you a parole.

Sincerely,

Well, Howard, it looks
like the end of our
Junior year. I'm
going to a class. It's
been fun, and I
am looking forward
to next year. Good
luck in all of
your undertakings.
Elizabeth Stewart

Howard,
Just think in a few
months, we'll be seniors.
It doesn't seem possible.
Don't forget all the
good times our gang
has had. Remember
dancing school and how
we had to force you
to dance. Best of
luck always. Don't
give Warrenton too
much to gossip about
in "Mostly Personal".
Love ya!
Mildred Stewart

Howard, Best wishes to
a good friend. I can't
wait until next foot-
ball season. We are going
to have a good team. With
you as ~~table~~ tackle.

Lots of luck.
John Kerr

Howard, I've
enjoyed sitting in front
of you in home room
and playing football
with you. See you next
year at tackle!

Rathburne, it has been loads of fun being in the junior class play with you and all through the years I have been in school with you. Don't eat too many more cherry pies and ham salad sandwiches! They may not be too good for you! HA!

A friend!
Emergine!

It has been lots of fun knowing you all these years. You a swell guy. Don't forget the fund we had working together youth week. Best of luck in everything you do.

Always a friend,
Norma

Dear Howard,

Can you believe that we really have only one more year to go? It's been a roller of fun and no matter what or who is in the senior

Play, we will always re-remember you as "that handsome dottie". Don't follow your "aunt clear off the deep end". Best of luck always.

Louise Harris)

June League

Best wishes Rathburne.
Hunter Peoples

Howard, I have truly enjoyed being in the "flow" with you. Please don't get sick eat a cherry pie and strawberry short cake. Best wishes always to every body, but nice and sweet.

Barbara

Good luck in the future! Rachel Abbott

Howard
Have really enjoyed
being in school with you
this year. Wish you the
best of everything because you
really deserve it.

Billy
P.S. see you next year in
football and in the meantime
restrain your relations to your
next door neighbor to simply
"pig" ==

The best of luck to
a nice boy. The best
of luck in the future.
Martha Lee

Best of luck
in years to
come to a nice
classmate.
Ann Aycock

you big "Dope"

Howard,
Next year I'll
be a sophomore so you
won't be able to call me
a mere freshman. I wish
you luck always. We still
have different opinions on
sports.
